Most of us don't need another translation or revision of the Bible, instead we need commitment to the study and understanding of the one we have."

The 52 week course was extremely beneficial and provided a strong foundation for continued study of God's Word. The method necessitated time spent in every book of the Bible and even some seminaries don't require that!

I have just complete the Minister's Service Manual Course and it is one of the most practical courses I have ever taken. The information provided in this course is something that every minister should have access to. Thanks again for doing your part in training and raising up ministers . God Bless You!  
*Sincerely, David W. Wall.*

This book and course have truly been a blessing and provided me deeper depths in the knowledge of God. I can hardly wait for you to return my book to study even more. Please quote me the exact price for more I would like to present several to Christian friends. It's been a blessing!

**Joyce Dixon**

I plan on taking some more of your courses as well, and am possibly interested in continuing my studies even further. If you have any recommendations towards this end, I would appreciate them. This last course, especially the text "PsychoHeresy" has really opened my eyes. Thank You!

Please know that you are in my prayers, and I am anxiously (or better yet anticipating with joy!) receiving my degree! It feels good to finally finish something in my life and the fact that I have done it for Jesus and to come to know and understand Him, makes this so much more rewarding. *Peace In Christ,*

Dear Pastor Cracium: I wanted to share some great news with you. Today, I received my Diploma in the mail, and today I had a meeting with my Pastor who asked me if I would accept the office of minister of music. I said yes! He made a copy of my diploma to go in his files. He also said he would be willing to call on me to preach if I felt led in that direction. Again I said yes! So I just wanted to let you know how much I appreciate your school and your ministry and what it has meant to me and my family. After I finish my minister's course, I plan to finish the Associate Degree and after that only God knows. Once again thank you!

**God Bless! Dennis W. Parrott**

There are no Bible Colleges in my community so I'm very grateful to you.

designed a self-paced home study program for people like me to obtain a diploma in Bible Studies. Everyone should take your 052 course! They don't know what they're missing! Otherwise, they'd enroll sooner.

*Thank You Brother Lawrence:* "Picture this scene in your mind. Jesus is surrounded by a large crowd of pushing, shoving people who want to be close to Him. Of course, many people came in contact with Him as He walked the dusty streets of Capernaum. Suddenly, Jesus stops, turns, and asks, "Who touched my clothes? The disciples confused, "Lord" they reply, "there are hundred of people here, pushing and jostling us. Everyone touched you!" Jesus tells them, "One person touched me and the anointing went out of me." Brother Lawrence I believe, you have touched the heart of God through your obedience, I attend a large Church here in Jax.

Potterhouse Christian fellowship, God has really blessed this fellowship you may have read about us in Ministries today Bishop Vaughn McLaughlin who I thank God for, we even have a Bible School "Logos". Nevertheless, our church does not accept credentials, outside of their local establishment. While I was set aside at this church waiting to obtain a license from the Potter's House, wondering whether to renew my ordination with Grace, something would not let me terminate my License with Grace, the GOD...glory, to His Holy name, found me faithful by placing me into the ministry, Millio ministries is the name of the ministry in which I shall be able to use my ordination from Grace, to operate in full time ministry, so you see brother Lawrence you touched me, and I know in my heart that you touched the master. God's word cannot be bound nor His people, Thanks again and again. The grace of our Lord and Savior Jesus Christ be with your spirit. I love you for all eternity with an AGAPE LOVE...

**Since** I have completed my courses and received my license, as an Ordained Minister, I have taken and do now Pastor a Church. It is an older church building and small. Seventy five people would max it out but I thank God daily for such an honor and pleasure to be counted worthy. When I took the church they were about to shut the doors and give up, as they were down to two people attending. It is with Great Pride In The Lord Jesus Christ that I report the following: Our church has gone from a land of desolation to a thriving Oasis. We

support 3 foreign missionaries, two radio ministries, one which I myself minister through, we have seen 5 souls saved, we have sponsored an outreach to the hurting and in need. Last year we payed out roughly over \$1,200 in financial assistance to the needy, gave 5 food baskets and passed out 10 bicycles out to children as Christmas presents. I do not write this to be boastful, as I am but clay in the Potter's hand. But rather, to brag and to boast his great and wonderful deeds among the people.

I fought a hard battle with denominationalism for a while, but God is faithful and the Holy Ghost prevailed. Now the very ones that fought me pray for the Holy Ghost to have his way. Praise Be Unto God. I hope that you can use something from this letter to encourage someone who is getting tired or ready to give up, to hold on. God is able to do the impossible.

*Humbly Yours,*
